WMU National Missions Celebration is coming up. June 12-13, 2016 at Saint Louis, Missouri. How many of you are going?

Please remember as far as quilts and bags for supplying DR: if you don't know how to sew, you need not worry. You can shop thrift stores! There are lots of toss outs found at thrift stores, for affordable prices. Please know that tattered, stained, or anything less than a better condition, I will not accept.

I will be out of pocket for few weeks. I am helping my kids move back to Iowa from California. This is an answer to prayer having them closer will be nice. I wanted to thank all of you who honored our Military and remember them this Memorial Holiday.

DIRECTOR'S NOTES:

I wanted to update all of you on my knee. I have tests and appointments throughout the summer and have scheduled knee replacement on August 5th. I wanted you to know about this so you would not be disappointed if no one in the office. Dorothy will do some extra hours and keep things running. I am told that I will be out for 3 to 6 weeks. My goal is to be me up and walking by the Annual Meeting. Doctor Smith said all looks okay and if I did the therapy and such should have no problems. I would appreciate your prayers for this summer. I want to get some things done around the house and be prepared to be laid up for a few weeks. With that in mind I will be out of the office in the afternoons this summer. It is hard to believe but have been your DOM since April, 1998. I have used very little sick days so I guess was saving them up for this year! I am happy to report that all the MLBA churches have good pastors leading them. That has not happened in while. I feel very blessed to be a part of such great people.
