WMU WMU The Story Lives On!

Romans 8:1 Love over condemnation: Throw down that stone! Wow! At the writing of this, I sit in the middle of Warsaw kid's camp. Why would someone like me, without children living anywhere nearby, be interested in kids camp? Kids camp is a mission field. Camp is important and I am happy to invest time in the future of our church. Camp is where I found Jesus!

Condemnation is: judging and separation of others. This message is stomping on my toes! Making me realize how I condemn others without thinking about it. We all fall in to that trap. Turning this to a positive, Jesus was condemned to die. Therefore, those of us who are truly Christ followers, are set apart for condemnation. Can you face judgment and separation from the rest of the world? Are you ready to stand the test?

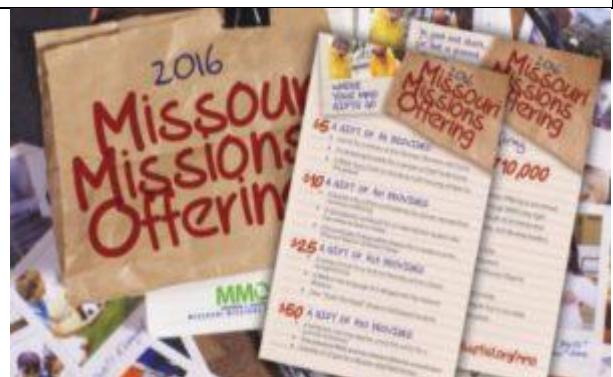

As far as condemning, why did churches not send the kitchen crew help? Only 2 churches sent kitchen teams. Shout out to those who showed up to help. It was greatly appreciated. Hope you gained a blessing, as we were thankful for the help. In closing: read Mark 16:16. Powerful message on condemnation.

DIRECTOR'S NOTES:

The day I thought would never come is here. Yes it is hard to believe I will be admitted to the hospital on August 5th for complete knee replacement surgery. I have passed all the pre-op tests and have a green light for going forward. Please pray for Dr. Smith, his assistant Stephanie, his surgical team and the CMH staff that God's hand will guide theirs. Please pray with me that I will be a good patient and obey the doctor's orders and have a speedy and successful recovery. My hope is by getting this done early in August would give me time to be on my feet for the Annual Meeting in October. Please don't feel you have to come visit me. I am a little concerned about getting my rest those first 2-3 days. You can help best by praying and lifting me up, and assisting my family where I can't. Pray that I will have a very successful surgery and recover quickly so I can get back to doing what I love!! That is being your Director of Missions.

The **Mission Trip to Layton Avenue Baptist Church** was a huge success. We were able to help them along on getting the outside and inside ready for finishing. Some of us helped with their VBS. This was a different trip because we were just part of 133 volunteers that week and didn't have the personal touch that we have in working with smaller churches. The church was very thankful for the work we were able to do and you would not believe the talk about homemade cookies!

VBS is in the history book for most of our churches. I believe Heritage will be last church and their dates are August 1-5, 2016. The reports that are coming in are looking good as well. I have heard pastors talked about good numbers and several receiving Jesus as Savior and that is always a great praise.

Camp 2016 was the best ever!! Every year I say it can't get any better but it does. The theme of "**Love Over Condemnation**" was very challenging to our young people and I believe we will see the fruit in the lives of these young people in the future. Thank you to our Camp Pastors this week; Robert McGinnis (children) and Dave Steinmuller (youth) for an outstanding job! Thanks to all who worked so hard to make camp a huge success. The numbers aren't in but from what I was able to experience looked like camp will be up in several areas.

Outreach to the **Sedalia State Fair, Tuesday, August 16**. Pastor Gary Urich is coordinating this for us. I pray that you will prayerfully consider this one day mission project and go help. Please read the information on front of the newsletter and give Pastor Gary a call at 326-7015.

We say We Love the Camp!

Here is a chance to show that love!
