Director's Note

The *Mission Trip to Rockport, Texas* was a new experience for many that went. We worked in homes and cleaned up tree debris and carried out to the street. The biggest project was demolishing a 14' by 80' mobile home. YES, we tore it apart with a track loader and carried piece by piece to the curb. We had the joy of teaming up with College Students from Nebraska and they were a lot help. It was a blessing to see them enjoy our home cooked meals and talking with the senior adults. It always blesses me when I see young people light up with a smile and gleam in their eyes as they listen the stories of the older people. There is no generation gap when it comes to sharing Jesus and life's journey!

We are off and running with Spring on its way and Summer approaching around the corner. It is exciting to work with the *Camp Committee* and see them brainstorm and come up with new and different things for our kids this summer with camp.

The *VBS planning meeting* was poorly attended but it was raining and storming and several were battling the flu. But all have called in or brought in their order forms and we are excited about the theme, "GAME ON". The churches work together and share decorations and materials which hold down cost. If you need to order VBS material we have until March 10th to place an order for a 15% discount to our association. Just give me a call and we will connect.

I am sad to say that many of you are finding the office locked up when you stop by. The office hours are Monday thru Wednesday from 9 to 5 pm. But if I have to leave I have to lock it up. I am sorry for that, but on the bright side if you have mail or something that can be put in our drop box by the front door it goes into a shoot and falls in a secured box inside. If too big for the drop-box place it on the back porch and when I return will put it inside. Also remember the cell #417-770-4667 and leave a message and will get back ASAP.

I had the joy of preaching at Brighton and Pomme de Terre recently and am scheduled to fill in for Pastor Gary at Heritage on March 18th. I love filling in but sometimes can't; but remember I have a list of retired pastors who want to fill in when they are called on.

On personal note Judy and I are planning a trip in our motor home during Spring Break. Not sure but probably will end up in Branson. We have found out if we don't block out some time it never happens. My prayer is that God will bless you in your church and the Association as we work together.
