WMU News

I delivered a LOAD of blankets, quilts, and bags to the D.R. Building, on March 16. There was only room for the driver in my car. This is a project that is very much appreciated. It only takes one disaster to consume the supply. They were anticipating getting a call to help with flood cleanup along the Mighty Missouri River.

The ANNIE Armstrong Offering helps missionaries who are working in North America. Help your churches set generous goals for this important offering. The Missions Celebration/ MO WMU Annual Meeting is April 5-6 at FBC Kearney MO. Registration is on line at www.mobaptist.org/WMU.

The Mid-Lakes WMU Council decided to promote Pure Water, Pure Love. PWPL has a three-fold mission: to supply missionaries with water filters, to provide the people they serve with wells that offer clean water and to supply missions teams with water filters for use on short-term missions trips.

Throughout the world, people are at constant risk of contracting a disease or parasites from their water. Many are forced to carry heavy jugs of water for miles just to be sure their families have clean, healthy water. For others, the prospect of clean water is simply non-existent.

With the help of hundreds of churches, PWPL provides thousands of water filters to missionary families and helps fund clean water projects. **Be creative and think of ways to promote this project.** For more information go to <http://www.wmu.com>.

Director's Note

Spring Time here we come. I am ready for some sunshine and warmer weather. Yes, I know! Many have told me you'll be hollering when gets hot! I am sure that is true. I'd like to see some mild weather for a change.

With spring also comes preparation for VBS and Camps. We had are VBS Clinic and as many things in our organization it has changed.

We no longer can order VBS for the churches and receive a 15% discount. It was good while it lasted but it is no longer available.

Several Churches have made and continues to plan their VBS for this summer. Camp Committee is meeting regularly and are making some changes themselves. We are starting Kid's Camp on Saturday this year. The kids will be on campus from Saturday registration 3-4 pm and will be going home at noon on Tuesday and Youth Camp will start on Wednesday with registration from 1:00 to 2:00 pm going thru Sunday Noon. By the way you can go to www.midlakesba.com for more information. And I believe registration will be up and running soon. The dates are set for ***Kid's Camp July 20-23 and Youth will be July 24-28***

The Churches of MLBA are all doing well. I have been filling the pulpit for Bethel and helping them find supply. I recently filled in at Heritage and Pomme de Terre. Recently I was contacted by Galmey Community Bible Church and asked to help them by filling their pulpit. After meeting with the search committee they asked me to serve as interim. It has been a while since I have been asked to do an interim, but after filling the pulpit I felt certain that God wanted me to be their interim and help them. They are good folks and very open to missions and hearing about the Association. I let them know that the work of the association must come first and they were good with that. I don't see it as a conflict for we all are serving the risen Jesus! All that I do for them will be reflective of Mid-Lakes Association.
